

CAMBRIDGE CONFERENCE ON BREAST CANCER IMAGING

Tuesday 29 - Wednesday 30 June 2021
West Road Concert Hall, Cambridge, UK

#CCBCI2021

Tuesday 29th June 2021

Keynote lecture

Breast imaging in 5/10 years

(**Thomas Helbich Vienna**, Austria)

1. Metastatic Breast cancer
 - a. Update on new treatment strategies for patients with metastatic breast cancer (**Richard Baird** Cambridge, UK)
 - b. Patterns of metastatic disease and epidemiology – (**James Tanner** - Cambridge, UK)
 - c. Critical metastatic lesions – (**Penelope Moyle** - Cambridge, UK)
 - d. Expected early and late effects of treatment and potential side effects of treatment on imaging (**Karen McAdam** - Cambridge, UK)

2. UK Breast Imaging Trials: rationale, current evidence and trial progress
 - a. Nostra – (**Nisha Sharma** - Leeds, UK)
 - b. DCIS Trials – (**Matthew Wallis** - Cambridge, UK)
 - c. PROSPECTS – (**Michael Michell** - London UK)
 - d. SMALL – (**Stuart MacIntosh** - Belfast, UK)
 - e. AgeX – (**Julietta Patnick** - Oxford, UK)
 - f. BRAID – (**Fiona Gilbert** - Cambridge, UK)

3. How to make the most of..... Part 1
 - a. Second look Ultrasound (**Anne Tardivon** - Paris, France)
 - b. Localisations - Stereotactic, bracketing, Tag Localiser) (**Vicky Ames** - Norwich, UK)
 - c. MRI guided biopsy (TBC)
 - d. CESM (**Vasiliki Papalouka** - Cambridge, UK)

4. Complaints/Legal issues
 - a. Duty of Candor – What does it mean for me? – (**Ros Given-Wilson** - London, UK)
 - b. PALS complaint - What should I do if the Trust asks me to respond to a complaint/PALS enquiry? – (**Sue Bennison** - Complaints and PALS manager - Cambridge, UK)
 - c. Claims management/Learning for safety improvement (**Dr Denise Chaffer/Mr Simon Hammond** - NHS resolution)
 - d. Causation in breast cancer – (**Gordon Wishart** - Cambridge, UK)

CAMBRIDGE CONFERENCE ON BREAST CANCER IMAGING

Tuesday 29 - Wednesday 30 June 2021
West Road Concert Hall, Cambridge, UK

#CCBCI2021

Wednesday 30th June 2021

5. Breast MRI
 - a. Kaiser criteria – (**Thomas Helbich** - Vienna, Austria)
 - b. FAST/Abbreviated – (**Sarah Vinnicombe** - Cheltenham, UK).
 - c. Evaluation of the pre-operative breast – (**Ruchi Sinnatamby** - Cambridge, UK)
 - d. Evaluation of the postoperative breast – (**Nuala Healy** - Cambridge, UK)

6. How to make the most of..... Part 2
 - a. Tomosynthesis (**Michael Michell** - London, UK)
 - b. Imaging of the Axilla (**Fleur Kilburn-Toppin** - Cambridge, UK)
 - c. Vacuum assisted excision (**Nisha Sharma** - Leeds, UK)

7. Impact of COVID-19 on Breast cancer in England
 - a. The radiologist's perspective – (**Caroline Rubin** - London, UK)
 - b. The surgeon's perspective – (**Rajiv Dave** - Manchester, UK)
 - c. The oncologist's perspective – (**Emma Beddowes** - Cambridge, UK)

8. Reflective learning: Interpreting challenging cases - Interactive case presentations (Cases submitted by attendees in advance for poster session with a small number selected for 4 min oral presentation and the remainder of the cases presented by CBU)
